

# 2017 L'Egerie

## Rosé Wine

### The Story of this Wine

Dry rosé wine is perfect for inspiring creativity and joy, so we named it after the French word for "Muse". This very limited release is made from traditional Provençal varietals, and features delicious red fruit and floral notes, in a salmon pink robe. It's a perfect wine for a summer day, or night, or whenever your spirits could use a lift.

### Winemaker Tasting Note

"The 2017 L'Egerie shows a beautiful pale salmon hue. The nose features wild strawberry, melon, and ruby grapefruit notes, with hints of fresh savory herbs, lychee, and straw. The palate has a nice creamy depth, shot through with a lively acidity. Flavors of citrus and wild berry, with nice hints of honey and floral elements leading to a rich finish, with a touch of fine tannin at the end. Perfect for matching with summer fare."
